(*) The starred Test are not ACCREDIA qualified

Uncertainty is expressed in the units of measurement of the parameter to which they refer. The coverage factor is $k = 2$ with a 95% probability range.

The results reported on this lab test report are exclusively referred to the tested sample.

This Lab Test Report can be reproduced fully only. The partial reproduction of this Lab Test Report is admitted only after the written authorization of the Water & Life Lab S.r.l. laboratory responsible.
